Youngstrom, Karl A. 263
Ziegler, Dewey K. 145, 403

INDEX TO SUBJECT MATTER

Abortion: physician attitudes on abortion and the Kansas abortion law 344
Adjustment to acquired blindness 238
Alienation, philosophical roots of 115
Allergy, penicillin 322
Amantadine hydrochloride in the treatment of Parkinson's disease 465
Anterior liver scans and exploratory surgery, correlation with autopsy 120
Bronchiectasis, congenital: segmental lung cysts; a form of.. 58
Bronchoscopy: new technique of bronchial visualization with fiberoptics 441
Burn therapy, major advances in 133
Cancer:
  breast, survival, relationship to blood lymphocyte count.... 135
  clinical and histological differentiation of mucinous adenocarcinoma from colitis cystica profunda 385
  multiple myeloma:
    chromosomal abnormalities in 435
    malignant dysgammaglobulinemia 415
  primary malignant tumors of the hand 376
  prostatic carcinoma: changing concepts of therapy 124
Carbenicillin, gentamicin and: ecthyma gangrenosum successfully treated with 462
Cardiac:
  arrhythmias: hemodynamic effects of 272
  murmurs, innocent, of childhood 142
Cardiovascular system:
  cardiac arrhythmia, phenothiazine induced 341
  coronary arteriograms, a study in 100 patients with electrocardiographic correlation 305
  hemodynamic effects of cardiac arrhythmias 272
  low sodium diet: personal experience of its benefits and pleasures 263
  ruptured aneurysms of the abdominal aorta 485
Caudal half fastigial nuclear lesions, effect upon postcaloric nystagmus 232
Cerebellum: effect of caudal half fastigial nuclear lesions upon postcaloric nystagmus 232
Chromosomal abnormalities in multiple myeloma 435
Chronic active hepatitis: survey of community hospitals..... 444
Colitis cystica profunda, clinical and histological differentation of mucinous adenocarcinoma from 385
Colonoscopy: the visualization of the colon up to the splenic flexture 442
Community health organization, problems in 255
Complications of duodenal diverticula: a case report of obstruction 492
Continuing medical education: whose responsibility? 12
Coronary arteriograms, a study in 100 patients with electrocardiographic correlation 305
Correlation of anterior liver scans and exploratory surgery with autopsy 120
Coxsackie viruses B, acute pericarditis due to 47
Cushing's syndrome, status epilepticus in 403
Cytogenetics: chromosomal abnormalities in multiple myeloma. 435
Dealing with the dying patient 354
Dermatology:
  ecthyma gangrenosum successfully treated with gentamicin and carbenicillin 462
  sunlight, friend or foe? 237
Desquamative interstitial pneumonia 469
Diabetes: problem of the brittle diabetic 128
Diagnostic value of mediastinoscopy 494

Diet, low sodium: personal experience of its benefits and pleasures ... 263
Diffuse interstitial fibrosis, roentgenographic, physiologic and pathologic abnormalities in patients with ... 473
Drug interactions ... 60
Duodenal diverticula, complications of: a case report of obstruction ... 492
Ecthyma gangrenosum successfully treated with gentamicin and carbenicillin ... 462
Education, psychiatric: community psychiatry: changes in psychiatric education for community service ... 151
Electrocardiographic correlation with coronary arteriograms ... 305
Endocrinology: Cushing's syndrome, status epilepticus in ... 403
Epilepsy, current status of some problems in the borderlands of ... 145
Esophageal atresia with tracheo-esophageal fistula occurring in multiple birth ... 386
Experiment in updating proctoscopic techniques ... 126
Fallacy of peaceful change ... 6
Family medicine, what is it? ... 1
Family practice:
  concept: Kansas definition ... 109
  student activism returns to ... 114
Family practice concept: Kansas definition ... 109
Fiberoptics, new technique of bronchial visualization with ... 441
Fistula, tracheo-esophageal, esophageal atresia with, occurring in multiple birth ... 386
Galactosemia ... 26
Gastrointestinal system:
  bleeding and respiratory failure in patient with severe head injury ... 318
  colonoscopy, visualization of the colon up to the splenic-flexture ... 442
  complications of duodenal diverticula: a case report of obstruction ... 492
  hepatic coma: treatment with plasmaphoresis and plasma exchange ... 54
  G.I. bleeding and respiratory failure in patient with severe head injury ... 318
  leiomyomata of the gastrointestinal tract ... 453
  proctoscopic techniques, experiment in updating ... 126
  ulcerative colitis, role of surgery in treatment of: an internist's view ... 447
Genito-urinary:
  hemolytic-uremic syndrome with recovery of renal function. 138
  impending renal failure, severe electrical burns with ... 410
  prostatic carcinoma, changing concepts of therapy ... 124
Gentamicin and carbenicillin: ecthyma gangrenosum successfully treated with ... 462
Hand, primary malignant tumors of ... 376
Head injury: G.I. bleeding and respiratory failure in patient with severe head injury ... 318
Health care:
  establishing an outpatient adolescent clinic ... 317
  physician's assistant with emphasis on local program for training pediatric nurse associates ... 350
  problems in community health organizations ... 255
Health care centers:
  affiliations with the University of Kansas School of Medicine ... 102
Health care delivery: educational needs in Kansas ... 64
Health education:
  affiliations of health care centers with the University of Kansas School of Medicine ... 102
  needs for better health care delivery in Kansas ... 64
Hematology: relationship of blood lymphocyte count to survival in breast cancer ... 135
Hemodynamic effects of cardiac arrhythmias ... 272
Hepatic coma, acute: treatment with plasmaphoresis and plasma exchange ... 54
Hepatitis:
  chronic, active: survey of community hospitals ... 444
  the story ... 227
Hyperosmolar coma ... 438
Infectious diseases:
  hepatitis, chronic, active: survey of community hospitals ... 444
  hepatitis story ... 227
  pericarditis, acute, due to coxsackie viruses B ... 47
  pulmonary aspergillus alveolitis ... 458
Intraperitoneal injury: a complication of heparin therapy ... 406
Leiomyomata of the gastrointestinal tract ... 453
Liver: correlation of anterior liver scans and exploratory survey with autopsy ... 120
Low sodium diet: personal experience of its benefits and pleasures ... 263
Lung cysts, segmental: a form of congenital bronchiectasis ... 58
Major advances in burn therapy ... 133
Malignant:
  dysgammaglobulinemia: multiple myeloma ... 415
  melanoma with pulmonary metastases ... 312
Mediastinoscopy, the diagnostic value of ... 494
Medical advice, patient follow-up of ... 265
Medical education:
  continuing: whose responsibility? ... 12
  team in medical and allied health education ... 17
  what are student's responsibilities? ... 22
Mucinous adenocarcinoma, clinical and histological differentation of, from colitis cystica profunda ... 385
Multiple:
  myeloma:
    chromosomal abnormalities in ... 435
    malignant dysgammaglobulinemia ... 415
  sclerosis, benign form ... 178
Murmurs, innocent cardiac murmurs of childhood ... 142
Neurology:
  amantadine hydrochloride in the treatment of Parkinson's disease ... 465
  current status of some problems in the borderlands of epilepsy ... 145
  effect of caudal half fastigial nuclear lesions upon post-caloric nystagmus ... 232
  multiple sclerosis, benign form ... 178
  severe head injury, G.I. bleeding and respiratory failure in patient with ... 318
  status epilepticus in Cushing's syndrome ... 403
New technique of bronchial visualization with fiberoptics ... 441
Nystagmus, postcaloric, effect of caudal half fastigial nuclear lesions upon ... 232
Obstetrics-gynecology:
  physician attitudes on abortion and Kansas abortion law ... 344
  postpartum hemolytic-uremic syndrome with recovery of renal function ... 138
Ophthalmology: adjustment to acquired blindness ... 238
Orthopedics: objective evaluation method of rehabilitation efforts in the physically disabled ... 154
Outpatient adolescent clinic, establishing an ... 317
Parkinson's disease, amantadine hydrochloride in the treatment of ... 465
Patient follow-up of medical advice ... 265
Pediatrics:
  innocent cardiac murmurs of childhood ... 142
  pediatric nurse associates, physician's assistant with emphasis on a local program for training ... 350
Penicillin allergy ... 322
Pericarditis, acute, due to Coxsackie viruses B ... 47
Pharmacology:
  drug interactions ... 60
  intraperitoneal injury: a complication of heparin therapy ... 406
  penicillin allergy ... 322
  phenothiazine induced cardiac arrhythmia ... 341
Phenothiazine induced cardiac arrhythmia ... 341
Philosophical roots of alienation ... 115
Physician attitudes on abortion and the Kansas abortion law ... 344
Physician's assistant with emphasis on a local program for training pediatric nurse associates ... 350
Postpartum hemolytic-uremic syndrome with recovery of renal function ... 138
Primary malignant tumors of the hand ... 376
Problem of the brittle diabetic ... 128
Proctoscopic techniques, experiment in updating ... 126
Prostatic carcinoma: changing concepts of therapy ... 124
Psychiatry:
  community: changes in psychiatric education for community service ... 151
  psychiatric abnormalities in the surgical patient ... 498
Psychiatric abnormalities in the surgical patient ... 498
Pulmonary:
  aspergillus alveolitis ... 458
  edema: diagnosis and treatment ... 174
  metastases, malignant melanoma with ... 312
  sarcoidosis in the Midwest ... 260
Radiation injury to the small intestine ... 390
Radiology: radiation injury to the small intestine ... 390
Rehabilitation efforts in physically disabled, objective evaluation method of ... 154
Relationship of blood lymphocyte count to survival in breast cancer ... 135
Respiratory diseases: pulmonary sarcoidosis in the Midwest 260
Respiratory system:
  desquamative interstitial pneumonia ... 469
  diffuse interstitial fibrosis, roentgenographic, physiologic and pathologic abnormalities in patients with ... 473
  G.I. bleeding and respiratory failure in a patient with severe head injury ... 318
  malignant melanoma with pulmonary metastases ... 312
  new technique of bronchial visualization with fiberoptics ... 441
  pulmonary aspergillus alveolitis ... 458
  pulmonary edema: diagnosis and treatment ... 174
  segmental lung cysts: a form of congenital bronchiectasis 58
Roentgenographic, physiologic and pathologic abnormalities in patients with diffuse interstitial fibrosis ... 473
Role of surgery in treatment of ulcerative colitis: an internist's view ... 447
Ruptured aneurysms of the abdominal aorta ... 485
Sarcoidosis, pulmonary, in the Midwest ... 260
Severe electrical burns with impending renal failure ... 410
Small intestine, radiation injury to ... 390
Spirit of the past ... 408
Status epilepticus in Cushing's syndrome ... 403
Student activism returns to family practice ... 114
Student theses:
  adjustment to acquired blindness ... 238
  dealing with the dying patient ... 354
  drug interactions ... 60
  galactosemia ... 26
  multiple myeloma: malignant dysgammaglobulinemia ... 415
  patient follow-up of medical advice ... 265
  penicillin allergy ... 322
  psychiatric abnormalities in the surgical patient ... 498
Subdiaphragmatic abscess, ten years experience with, in community hospital ... 380
Suicide prevention: a study of the community program in Kansas City ... 167
Sunlight, friend or foe? ... 237
